Personal Invite

June 17-18, 2025

Future Talent Summit 2025

Welcome to **Stockholm** and one of the world's most influential events on the future of work & learning

Dear leader,

It is our privilege to extend you this official invitation to join the **Future Talent Summit** in Stockholm on **June 17-18**

We annually welcome +200 policymakers, corporate executives, and university leaders from +40 countries – all aiming for an outsized positive impact on learners and workers worldwide

Amid escalating geopolitical sensitivities, AI-driven disruption, and a rapidly evolving talent landscape, this is an important moment to gather, rethink, and co-create resilient strategies for the years ahead

Welcome!

June 17

09:00 – Official Opening
09:15 – Keynotes & Panel Dialogues
12:00 – Luncheon
13:00 – Roundtable Discussions & Workshops
15:00 – Keynotes & Panel Dialogues
19:00 – Future of Talent Dinner
at the Royal Swedish Opera

June 18

10:00 – Keynotes & Panel Dialogues
12:00 – Luncheon
13:00 – Roundtable Discussions & Workshops
15:00 – Facilitated individual meetings & Networking

Posthuset, main venue

Vasagatan 28
111 20 Stockholm

Royal Swedish Opera, dinner

Karl XII:s Torg 3
111 47 Stockholm

Daniel Kjellsson

Director-General
Future Talent Council

"Future Talent Summit is a unique event welcoming HR executives, university leaders, and policymakers from all over the world."

Brian Glaser

VP & Chief Talent Officer
Google

"We're not just in an era of change—we're in a change of eras. Chaos demands adaptive, bold leadership."

El Iza Mohamedou

Head of the Centre for Skills
OECD

"In the AI era, strategic reskilling and upskilling are crucial for competitiveness, adaptability, and long-term success."

Uzair Qadeer

Chief People Officer
BBC

"Purpose should always guide performance; technology must never replace the human values shaping the workplace of the future."

Carl Benedikt Frey

Director of Future of Work,
Oxford Internet Institute,
University of Oxford

"Technology is not just changing jobs – it's changing what people can and should do, requiring constant adaptation and skill development."

● Global

200+ delegates from 40+ nations, ensuring diverse perspectives and connections

● Impactful

Case studies, data, and insights. Fellow leaders share playbooks, analysis, and strategic plans

● Interactive

The event is a mix of keynotes, panels, roundtable dialogues, workshops, and networking

● Personalized

Our teams can help prepare your participation, recommend sessions, and facilitate meetings

Stockholm's historical post office:

Posthuset, Vasagatan 28, 111 20 Stockholm

Future Talent Summit 2025

Key themes: The AI Workforce, Future Skills & Education Transformation

Future of Work

The world's leading AI and labor market experts share insights beyond the headlines: What does new data reveal about AI's actual and expected impact on jobs, firms, and societies?

Carl Benedikt Frey
Director of Future of Work
University of Oxford

El Iza Mohamedou
Head of the Centre for Skills
OECD

Michael Gerlich
Head of Center for Strategic
Corporate Foresight, SBS & UN

Samantha Schlimper
Managing Director
Randstad Enterprise

Future Skills

What does it take to succeed in the workplace of tomorrow? We explore the skills needed, strategic workforce planning in this era and how we equip people for constant change

Marni Baker Stein
Chief Learning Officer
Coursera

Anna Gullstrand
Chief People & Culture Officer
Mentimeter

James Morris
Global Head of Advocacy
& Policy, PwC

Caroline Rende
Director, Career Exploration
Harvard University

Education Transformation

A dynamic system must prepare learners for their futures, not our past. Universities and employers explore how learning and work intertwine throughout life as the world accelerates

Isabel Berwick
Editor of "Work It" podcast
Financial Times

Marc Fischer
Vice Chancellor
UC Berkeley

Brian Glaser
VP & Chief Talent & Learning
Officer, Google

Frida Monsén
Global Head of L&D Strategy
Vattenfall

Leadership

Humanist leadership demands bold investment in the growth, resilience, and relevance of current and future leaders, for the wellbeing of organizations, and the world they help shape

Uzair Qadeer
Chief People Officer
BBC

Håkan Svennerstål
Co-Founder
Future Talent Fund

Heidi Robertson
Chief Diversity Officer
ABB

Douglas Atkin
Global Head of Community
Airbnb
