

Plan Your Visit

Hotels in Saarbrücken

Please note: The booking deadlines for some of the room blocks we had reserved for Future Talent Forum participants have already passed. This does not necessarily mean that the hotels are fully booked. Rooms may still be available at regular hotel rates or, in some cases, even at special rates. We therefore recommend contacting the hotels directly or checking their current availability online. If you have any difficulty finding suitable accommodation, please let us know and we will be happy to assist: marketing@scheer-school.com

Most hotels in Saarbrücken are conveniently located near the main train station, providing easy access to the city and the conference venue.

The event will take place on the Saarland University campus, which is well connected by public transport. All conference participants can use public transport free of charge during the event. For those arriving by car, free parking is available directly on campus close to the venue.
